Me and my family send our deepest condolences to the family of my sister in Christ, Charlita Edwards. We grew up together at United Christian Church and were like family. My heart is heavy at your loss and I have nothing but the fondest and fun memories of the times we were blessed to share. May God cover you all with love, peace and comfort during this difficult time. Charlita you will truly be missed! Love and prayers until we meet again. Jackie (Neal) Lateef & Family

Charlita was like another big sister to me. We all grew up together because we was members of united christian church. We all sing on the choir. She was like a big sister to me. I always knew when she said something to me no matter what it was out of love. She had a kind, loving, spirit about her that made you feel at ease. Big sis I will miss you. But I know I will see you one day and we will be singing on heaven's choir. Spread your wings big sis.i will miss you. But I will always have a piece of you in my heart. Thanks for blessing me with your unconditional love .Love always and foreverMalandria Santiago
