Rick was a really good friend/neighbor to my entire family as we grew up through the years & was very supportive as a friend to my sister after she was diagnosed with cancer. Rick would also come over & complement us all the time on our lawn & flower garden, & loved to consult my husband about lawn tips, lawnmower maintenance, or what products he used that kept his car looking so shiny as they chatted in length in our driveway. He always looked forward to getting advice from my husband & appreciated his help. We will truly miss the funny moments & watching Rick always coming outside to buff his red car with his elbow as he looked at it with joy. Rick, say 'hi' to my sister up in Heaven....you will be truly missed; & our block won't be the same without seeing you & Lauri sitting on the porch enjoying the seasons. Prayers & sympathy to the family, from us and the neighbors on Patton St.
