Jacqueline Sade.... You were the peanut butter to my jelly ☐ so many memories to post, but I will forever cherish each memory we have made together, thank you for being my only true friend 💜 thank you for always being so kind, genuine and pure!! Thank you for accepting me for the person I was! And even tho we hardly seen each other after 2015 we always would still check up on each other, and be there for one another from phone calls to text messages to a couple random visits 💜 I will forever love you friend, it's time to rest and it's not goodbye it's I'll see you later!! We never ever said goodbye to one another, see you later friend 🥹💜
