Pam was my "Go to" person at the TRC. She was always very pleasant and honest to deal with. This saddens me to hear this news but gives me peace knowing that she is in a much better place now. Thoughts and prayers go out to her family.

From the time we met in '07 at the LOC, we had a bond. I will miss our conversations about family, our banter back and forth, reaching out when you needed help. You were a big part of the team. Blessing of Peace & Comfort to the entire Charley family.

Pam, always a beacon of light and a pure source of inspiration. When she called our plant at GM Tonawanda we would just laugh before saying anything, then we handled business (because she said we had to), then we would laugh our way off the phone. To the family, there is never a good time for the loss of a loved one. The pain we feel now is the happiness we had before they left us. I feel this with you this far away. You have my condolences and prayers. Curtis Jeffries Ryder/GM Tonawanda.
