Sending prayers and Condolences to the family. I'm really sorry I didn't get to see her before she past. I reached out to her several times prior to her being unable to speak. She will be missed. Its unfortunate that I found out about her transition the way I did. Although, I choice to remember her the way she was the spirit of God had me to call before it was too late. RIP Octavia - Wishing your family and friends peace and comfort during these trying times. You will be truly missed...Sincerely,Tina Chinn
