Hey 🙋 Andrea alias Andy hereMan this totally unexpected to me we went to Post junior high together played basketball and everything Yo was a fun loving person she was ever trying hurt anyone just do her own thing!! remember one Saturday night we were hanging out at my aunt's apartment on Griswold in downtown Detroit and Yo gave my aunt who was in her 60's a joint my aunt smoked part of it and at 2am in the morning she was eating Oreos and frying chicken 🍗 and saying she was hungry the weed had given her the munchies the next day she said she never wanted anymore weed because it would make her eat herself out of house and home and she'd be big as a house.We laughed about that for a whileMy sincerest condolences 🌹 Andrea R.Martin
