Mama, You left me too soon. You fought for 20 plus years of cancer. I'm going to miss your guidance , our talks, text or us just joking and laughing while you sitting in your recliner.. My heart is shattered into pieces.. Please help me.. I miss you and love you so much Ma.. Your only daughter Shawnte

My deepest heartfelt condolences and prayers for my family. I know during this time we feel as if there's no sympathy deep enough, no words are caring enough to take away our sorrow at this moment. Please know that you are and will continue to be in so many of our family and friends thoughts and prayers.
