My thoughts to Reggie's family. Reggie really saw and appreciated people in his job securing the Arbor Lakes building. He made my workdays brighter by welcoming me or wishing me a good evening. And he remembered me years after I moved to a different building. He was a gem and will be missed.

Regi made every day I spent at Arbor Lakes start on the right foot! He always had a wonderful good morning and joyful smile. I always anticipate his smile greeting me as I walk in and I will hold that in my heart. Sending you all my thoughts and prayers.

Regi will be missed behind the security desk at Arbor Lakes. I'll miss seeing him walk his rounds, keeping an eye on things. He always welcomed each of us with a smile and kind word. My thoughts and prayers are with the family.

To the Robards and extended families, I send our sincere condolences and sympathies to each of you at the passing of your beloved Reggie! Reggie was a cousin of mine and for awhile we lived next to each other in West Point, KY! My husband and I visited Reggie at a friend of his here in Saginaw, MI WHERE I LIVE! Apparently they were members of the ELKS organization and visited each other! That was the last time I saw him! May you find peace and comfort in these days ahead as you remember the memories and special moments you each shared with Reggie! So sorry that we were late hearing about his death!

I love Keila's picture's of Reggie. I retired in 2021, but never forgot Reggie and Rance and their kind greeting everyday. I especially loved to hear Reggie, singing all the time, while on his rounds.
