I met cheri awhile ago at triumph church,.she encouraged me to join the nurse gill and I did. Thank you cheri. We had fun ballrooming and doing hustles that she taught us and she also was my baby sitter. She would never take money, so I had to go in her room and hide it in her dresser and then I would call her later and tell her where to look.lol and we both bust out laughing. I have a lot of good memories about her but these are just a few. Rest in peace my friend cherish. Love ❤️ you!
