Queen the last time we were together was because of our dear daughters. We laughed so much until we had tears in our eyes. My side was sore from laughing so much. Well today Queen I have different tears. Tears of sorrow, but I know as time goes on I will be able to have those tears of joy thinking of you. Rest in peace Charlotte

To one of the best God mothers a girl could ask for. The 3 queens kept their foote on our neck. Especially mine I was always doing something. I remember in the kitchen when Sherronda told on me. Mama Jackie got me over to that house on Lindsey and got me together. We got cussed out every day. I can go on forever, Sherronda I have one word NyQuil. This is a hard pill to swallow and you truly will be missed. I promise to stay out of trouble. Love you to the moon and back.
