I first met Gale when we worked together at Team, and later at NSO. She was such a bright light — always full of love and kindness for everyone around her. I feel so grateful to have known her and will always remember her warmth and caring spirit.

Lighting a candle for all the light and love you poured into me a your family. As your family continues to pour that love into me and into each other. I remember coming over in oak park so many times and then days you were dropping Jaleesa off to my house, you always made sure we were ok and good! Truly will be missed Shanky !

I am going to miss those unforgettable hugs. That listening of a ear where you felt like you were the only one in the room when you talked to her. That push you gave to everyone you encounter. I will forever treasure your love you had for me and my boy's. I felt like family when I was around you and your ride or die sister. Thanks for trusting me with Kim your nice when she was a young girl. Now a amazing woman I am definitely praying for the entire family especially Natalie love b you all

I'm going to miss our early, midday and evening calls. You're laughter and smile. You fought so hard, Auntie. And in the end you did WIN! We will see each other again. That I am certain of. And as a family we will all hug and walk towards love together. Enjoy your next adventure, Edna Mode!
