In Loving Memory of Mike Mike was more than our brother-in-law — he was family in every sense of the word. A man whose heart knew no limits, his kindness, generosity, and genuine love for people touched everyone he met in a unique way. Mike had a heart that gave freely and a spirit that lifted those around him. His memory lives on in every act of love and laughter he inspired especially through his special way of sharing history and his stories always kept you engaged.
