Antonio Yancey posted:

Conrad was truly one of the kindest people you could meet. From the very first interaction, his warmth, generosity, and genuine spirit were evident. He had a way of making others feel welcome and valued, and those moments of kindness will never be forgotten. Conrad's presence left a lasting impression on everyone who had the privilege of knowing him, even briefly. While words can never fully ease the pain of this loss, I hope it brings some comfort to know how deeply he was admired and appreciated. My thoughts and prayers are with your family during this difficult time, and I hope you find peace in the many memories and the love that surrounds you as you honor his life. Dr. Antonio Yancey

My prayers go out to Conroy's entire family! He was truly a wonderful and caring person. A "kind spirit" and loved GOD. We had countless discussions regarding the Bible, church, our faith, and movies... May Our Heavenly Father provide comfort to his wife, and the entire family during this time. My sincere Condolences to you all! Be Blessed! May God be with you and keep you all! In Jesus Name!!! Amen! Bonita Gaston

I'm so sorry to hear about Conroy passing. Still in disbelief that this happened so early in his life. All of my memories of Conroy are ones filled with laughter, joy, future aspirations, sports/movies, and life interactions with friends/family. I first met Conroy in General Accounting, where I started my journey at WSU. I could hear his laughter over my cubicle when he came to visit our team, and even though I didn't know him personally at the time, I could sense his positive energy and knew I wanted to speak to him and get to know him more. Thankfully, I was able to do so, especially during my time at the SOM. I'm blessed to have been able to get to know Conroy and will miss him. He was able to make me smile and laugh, even on stressful work days. Such a positive person who always made my day brighter. Will miss you Conroy and I won't forget you. My condolences to your family.
