Tamika B lit a candle in honor of VENDETTA.

Hey Auntie V, I just wanted to let you know that I forgiven you for all of the things that happened between Us since I was little and I'm sorry that you left the Family but I knew that you were tired and ready and that doesn't lessen my Heartbreak ❤️ of your Death, you leaving not knowing that I love you still and was just hurt by Everything that we talked the last time I seen you when you visited Momma in the Hospital but you're free of Everything so enjoy your Well Earned Angel Wings ☁️ and hug 😊 Momma, GMuah Julia and the rest of our Loved Ones who's in Heaven and y'all don't be cutting up and dancing 🕺 and singing 🎤 👤 I Work Hard For The Money and more RnB Songs like we used to on Helen and Ferry at your Apartment above our Family The Dixons' while wearing your favorite Fancy Hat 🧢 (Wig 😄) and that Red Lipstick 💄 you always said 👤 That Jeff likes 🎶 🎶 🎶 🎶 There's more good Memories but I just wanted to share my favorite one with you and I really do miss and love you ☐ your Niece, Mika 😭❤️ 12/23/25
