**Wanda Settles** lit a candle in honor of EUGENE.

Eugene, Baby I'm missing you, this house is not the same, I know you're in a better place, you're in no more pain, God got you now so you'll be alright. I'm so glad God allowed me to spend every minute you had left on this earth and I was so glad I was right there by your side when you made your transition to go home with the Lord. Death may separate us, but my love for you will never diminish. Even our Fur baby Lady misses you, she knows something is not right. Just know you are loved by so many Eugene. I'll be Loving you always. Until we meet again. 🧑💕💕💕🧑 your Wife Wanda Settles.

To Eugene's family it's been a while, I miss you all dearly, the last time I spoke with your mother, she morning, was not on French Road anymore, and her phone number was being turned off. We might have lost connection, but trust God, I know He'll make a way.

I recently learned of my dear brother going home to be with the Lord, Gregory, Juan Bateman loved him so much ❤️ we're sorry for your loss, but heaven's gain. No more trails of this world, heartache, or sadness. To Eugene's family left behind, come together, unite as one, let the pass be left in the past. Today is a new day, be made whole in this very moment, and if you become overwhelmed, may it be by the love of God.
