Tony White posted:

I will always cherish the memori3s that Momma Kathy and I have created and shared. We began our close relationship 10 years ago when my mother passed, we just kept in touch. We understood each other. We laughed Alot together, actually everytime we were in each other's presence. When she became ill and I called her, she said Tony.. I need for you to call me often to make me laugh. I said I sure will. We always found something to smile and laugh about. We'll, I will continue to hold on to the memories as she rest in the arms of our Heavenly Father. She will never be forgotten. She is truly a one in a million type of gal.
