“ Wrenn...You were loved by so many. You left this earth way too soon. None of us were prepared. I am honored to have called you my Lil brother for the past 19 years. Although, my heart is heavy, I will think on all the times you made me/us laugh, I will remember the good vibes that you brought into the room everytime you entered. I will remember you smile, that you loved you wife and children more than anything. My prayers will be with your family, I feel like I know them. May God comfort them. May you rest peacefully...Forever my Lil BIG brother
