“ My sincere condolences to the family of Lillie Ruth Jemison Dunn. We met in kindergarten, and she was a lifelong friend of mine. As young adults we followed our separate paths in life, but through the years, we always found a way to reconnect. Whenever we did, it was as if we'd never been apart. She was ever the same, the same wise words and ways about her, the same "honey chile, let me tell you something" stories, the same infectious laughter. I so enjoyed just being with Lillie. We last talked in 2018, recalling our salad days at Boynton Elementary, the friends we shared, the hours we spent at one another's homes. She will be sorely missed, but I know everyone who knew Lillie has wonderful memories to keep.

“ To the Dunn Family.
My sincerest prayers and condolences go out to you at this very difficult time. There are no words to express the sorrow I know in which is felt with your loss. I'm praying for comfort and peace for you all. May God bless you, and may all the memories live on in your heart and bring you some comfort in the days ahead. May your hearts heal over time and remember to stay in Faith. To Necole, I pray you are able to find comfort in knowing how wonderful you were as a daughter to your Mom. Find peace in knowing you gave her your very best. I'm wishing strength for you today, and the coming days. We never lose the people we truly love, not even in death. Remember to hold on to God.
With deepest sympathy,

Zandrea
